

Useful Transfer Information

This information is designed to assist you in planning your transfer from Banff Centre, a college, technical institute, private college with accredited degree programs, Athabasca University, Advanced Placement or International Baccalaureate courses.

Information about transferring from one university to another, can be found [here](#).

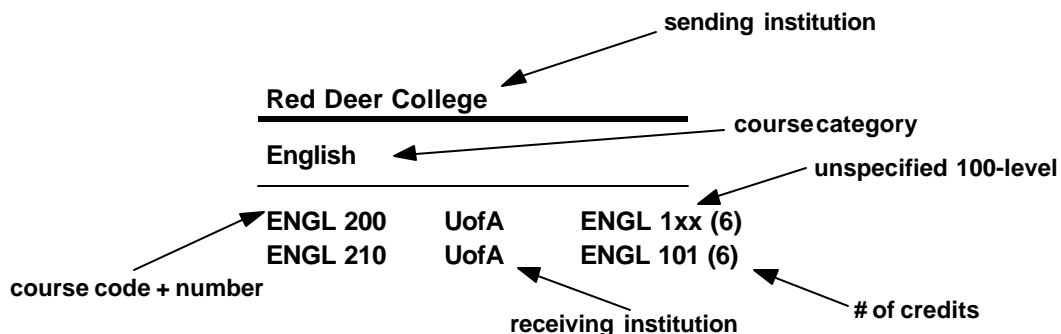

General information on University Transfer programs can be found [here](#).

1. When you have decided which receiving institution you are planning to transfer to, carefully read its [admission and transfer information](#). You may also wish to visit the institution's [web site](#) for more detailed information.
2. The next page lists the transfer agreements between the sending institution (where you will take courses you wish to transfer) and the receiving institution. Make note of how your planned courses transfer to the receiving institution.

Please note, if you have already completed post-secondary courses in Alberta, refer to the Transfer Guide corresponding to the year in which you took the courses.

3. Contact the [post-secondary](#) institution directly for if you have any questions about specific admission and program requirements.

The following illustrates how to read the course transfer agreements in Alberta Transfer Guide:

In other words, if you successfully completed ENGL 210 at Red Deer College you know it will be accepted at U of A instead of ENGL 101. Red Deer's ENGL 200 will be accepted as a 6 credit introductory English option at U of A.

REMINDER – Transfer agreements specified in the Transfer Guide may be dependent on the particular program a student wishes to enter. If a student switches to an unrelated program, courses may not be fully transferable.
